**PETITION TO RESET A PERIOD FOR REPLY DUE TO
LATE RECEIPT OF AN OFFICE ACTION UNDER MPEP § 710.06**

Commissioner for Patents
Washington, D.C. 20231

August 27, 2002

Sir:

The Applicant respectfully petitions for reconsideration of the Final Office Action in the instant application, issued on April 1, 2002. The Office Action with the mailing date of April 1, 2002 did not reach the addressee until August 16, 2002. The Office Action was received in an envelope with a postmark of August 9, 2002 (which is more than 4 months from the mailing date of the Office Action). Accordingly, the applicant hereby respectfully requests to reset the period for reply due to late receipt of the outstanding Office Action. The following documents are submitted to show that the Final Office Action was indeed received on a much later date than it was intended.

- * A copy of the first page of the April 1, 2002 Office Action showing the "Received Stamped" of August 16, 2002, from the addressee.
- * A copy of the envelope showing the post mark of August 9, 2002.

In view of the above submitted items, enough evidence have been presented that the April 1, 2002 Office Action was, in fact, mailed on August 9, 2002. It is respectfully submitted that the mailing date of the Office Action be changed to be consistent with the post mark dated August 9, 2002.

The Applicants further requests that any petition fee due in connection with the present petition be waived, on the ground that the Office Action, in fact, was mailed to the address after August 9, 2002. However, in the event such petition fee is still considered to be required, please charge such fee to our Deposit Account No. 50-1299.

In the event there are any fees due in connection with the filing of this paper, please charge Deposit Account No. 50-1299.

Respectfully submitted,
